Dear Sir,

In addition the writer desires to state that the applicant for passport is about to accompany a long sick mother to a German Sanitarium, prescribed by local Physicians, there to either get well or die, and as that period may extend to his twentieth year, when, as you know, he will be called in to serve as soldier, if he is not provided with a personal passport, which I, therefore, trust will not be denied him.

His father, who is a grocer, and the rest of the family remain here.

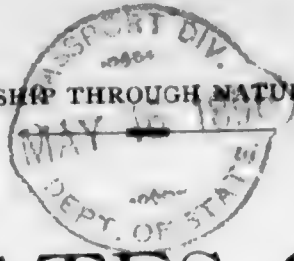

Yours truly
